The Clothing institute is a platform for the clothing and textile professionals and experts with an aim to serve the global clothing industry and community. Textile Research Conference (TRC) is an annual event organised by the Clothing Institute in order to provide an opportunity to the young and experienced researchers from Academia and Industry to present, share and disseminate their research findings. The 2nd TRC will be organised in 2015 in Dhaka, Bangladesh. For further details visit: www.clothinginstitute.org
